University of Florida | Department of Medicine
Division of Nephrology and Hypertension
Nephrology Clinical Case Conference

"Review of the Hemodialysis Machine"

Presented by:
Osama Elhilali, MD
Nephrology Fellow

Friday, October 15, 2021| 12:00 pm – 1:00 pm
ZOOM Meeting

LEARNING OBJECTIVES:
Upon completion of this activity, participants should be able to:
1. Outline the components of the blood compartment
2. Outline the components of the dialysate compartment
3. Describe potential complications which can arise as a result of a malfunction of the dialysis circuit

Disclosure
Osama Elhilali, MD has disclosed that he has no relevant financial relationships. Planning committee member Charles Heilig, MD has disclosed that he received research grant funds from Dialysis Clinics Inc. and Scott R. Mackenzie Foundation and is a consultant for Dept. of Defense Research Grant Reviews. No one else in a position to control content has any financial relationships to disclose. Conflict of interest information for the CME Advisory Committee members can be found on the following website: https://cme.ufl.edu/disclosure/. All relevant financial relationships have been mitigated.

Accreditation
The University of Florida College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit
The University of Florida College of Medicine designates this live activity for a maximum of 1 *AMA PRA Category 1 Credit™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
